

## **Release notes for CHRIS Release 15.5**

January 26, 2008

- Implemented a fix regarding a printing problem with the Report to Prosecuting Attorney – CFS-6003 located under Focus Tool Bar Reports Button in Investigation and Case. Section I. in the printed report had missing client information. Problem resolved.
- Implemented a fix regarding the missing Hourglass when CHRIS is retrieving information. The hourglass disappeared leaving the cursor as a check implying that CHRIS wasn't retrieving data. Problem resolved.
- Implemented two Child Support values into the DHS Foster Care Trust – Transactions by Client screen, which appears when the Trust Accounts Detail button is clicked on the child's Asset screen. The new values are "Wages" and "CSEU Arrears". This was implemented to assist the Eligibility Unit in distinguishing Child Support payments as wages or arrears.
